EVOCA GROUP - UPDATES ON ACTIONS AGAINST HEALTH EMERGENCY COVID-19.

Valbrembo (Bergamo, Italy) March 25, 2020 - Following the publication of the new government decree of March 22, Evoca cancelled the resumption of activities scheduled for March 23 at its plants and offices located in Italy.

Furthermore, the changing situation has resulted in the suspension of production at Quality Espresso in Spain and Cafection in Canada as of yesterday.

The Group is acting to take advantage of the various forms of Government support for COVID-19 across the different jurisdictions.

EVOCA Group is a world-leading manufacturer of professional coffee machines and one of the main international operators in the Ho.Re.Ca. and OCS sectors. EVOCA markets its products through ten brands (Necta, Wittenborg, Saeco, Gaggia Milano, Ducale, SGL, Newis, Cafection, Futurmat and Visacrem), each with its own individual identity and highly synergistic with EVOCA's mission. Today EVOCA has over 10,000 customers in more than 140 countries around the world, 2,000 employees and revenues of over €460 million. Headquartered in Italy (Valbrembo - Bergamo), EVOCA has a global presence with nine production sites, six R&D centers and over 600 registered patents.
